## OLYMPIC HEIGHTS ELEMENTARY SCHOOL

We're the Enviro Club, and we're here to say

We want you to recycle in the proper way

Recycle in the Blue Bin

Compost in the Green Bin

Refundable in the Yellow Bin

Just do that and we'll be chillin!

Save the earth, keep it litter free

That's the right thing for you and me!

Chorus

**No litter, no garbage, an we'll be cool!**

**That's our one and only rule!**

**Don't do that; that's just cruel!**

Turn off the lights when you leave the room, or else your electric bill will go  
**KABOOM!**

Don't make garbage, show you care!

Or else lit-ter will be everywhere!

Chorus

**No litter, no garbage, an we'll be cool!**

**That's our one and only rule!**

**Don't do that; that's just cruel!**

Save the water, don't let it run!

That's our song, we are **DONE!!!!**
