

Olympic Heights Elementary School

School Digital Citizenship Plan 2025-2026

Relevant contextual information about your school and School Development Plan:

Olympic Heights School is a K-6 school with a diverse population of approximately 478 students. For the 2025-2026 school year, our SDP will be focused on learning intentions and success criteria to support written output. Two ICT Learning Outcomes that we will be working with all year long are:

- ☐ I can protect my personal information online
- ☐ I can leverage digital tools to learn (Google Apps), to express my creativity, reflect on criteria and collaborate with others

School Digital Citizenship Plan						Progress		
Long Term Goal	Competency	Short Term Goals (in support of the long term goal)	Outcomes	Activities & Resources	Measures	November	January	June
Long term goal #1 Learners will understand the importance of protecting personal information online and apply appropriate strategies	Safe I can protect my personal information online	<u>Short term goal 1</u> Students will understand the characteristics of a strong password and why it is important to have one	Students will create an age-appropriate unique password to access CBE network/technology	Teachers will have reviewed the 2025-2026 School AUP.
